EXPERIENCE

Tesla January 2024 — September 2025
Production Associate Austin, TX

- **Assembly Line Uptime:** Maintained continuous factory line operations by proactively monitoring automated stations and eliminating output bottlenecks.
- **Rapid Issue Resolution:** Diagnosed emerging mechanical and equipment anomalies in real time to prevent costly production delays and maintain quality standards.
- **Technical Escalations:** Conducted initial technical troubleshooting on automated machinery, efficiently escalating complex electrical or mechanical failures to engineering.

Apple August 2016 — August 2020
Technical Specialist Austin, TX

- **De-escalation & Device Repair:** Restored customer trust and resolved complex iOS hardware/software issues through rapid, empathetic diagnostic sessions.
- **Customer Needs Assessment:** Identified underlying device and service needs during technical evaluations to deliver tailored repair and upgrade solutions.
- **Cross-Functional Support:** Collaborated across departments to resolve out-of-scope technical edge cases, ensuring high customer satisfaction and swift resolution.

Geek Squad - Best Buy June 2015 — July 2016
Technology Education Agent Austin, TX

- **Internal Coaching & Enablement:** Served as the store's subject matter expert, training cross-functional team members on product ecosystems, software services, and support protocols.
- **Client Technical Instruction:** Facilitated interactive training sessions to guide clients through complex software environments, device security, and hardware features.
- **Product & Service Expertise:** Maintained expert-level knowledge of storewide technologies to assist sales and technical teams in meeting service category targets.

HostGator.com June 2013 — June 2014
Server Admin Houston, TX

- **Server Maintenance & Uptime:** Troubleshoot server-side performance bottlenecks, application errors, and hosting instabilities to maintain maximum website uptime.
- **Infrastructure Diagnostics:** Analyzed system error logs, DNS configurations, and database connectivity issues to isolate root causes and optimize server health.
- **Advanced Escalation Management:** Identified critical infrastructure anomalies using structured diagnostic logs, escalating tier-3 issues to senior engineering teams.

SKILLS

- **Technical & Infrastructure:** Systems Troubleshooting, Hardware Diagnostics, Network & Server Administration (DNS, Hosting), OS Support (iOS, Linux/Terminal), Component Assembly.
- **Tools & Operations:** Systems Monitoring, Diagnostic Logging, Ticketing Systems, Preventive Maintenance, Quality Assurance (QA).
- **Languages:** Bilingual in English and Spanish.

EXPERIENCE

RPM Living

January 2023 — July 2023

Leasing Associate

Austin, TX

- **Consultative Leasing & Pipeline:** Guided prospective residents through property tours, needs assessments, and application processes to convert warm leads into signed lease contracts.
- **Tenant Retention & Account Management:** Managed lease renewal pipelines and proactive follow-ups with current residents, minimizing unit turnover and supporting property occupancy goals.
- **Cross-Functional Coordination:** Collaborated closely with property management and maintenance teams to streamline move-in/move-out workflows and ensure prompt unit preparation.

NinjaOne

March 2022 — October 2022

Sales Development Representative

Austin, TX

- **Account Pipeline Alignment:** Maintained structured communication channels with Account Executives to align on weekly prospecting goals, territory strategy, and pipeline obstacles.
- **Enablement & Onboarding:** Built a centralized onboarding knowledge base to accelerate new hire ramp times and provide updated sales collateral for the SDR team.
- **Prospecting Optimization:** Developed a teamwide sales knowledge base documenting prospecting outcomes, improving lead qualification quality and conversion rates.

Opcity / Realtor.com

July 2020 — January 2021

Technical Specialist

Austin, TX

- **High-Volume Lead Qualification:** Executed 160+ daily outbound discovery calls to qualify inbound leads and evaluate fit for partner programs, consistently exceeding quota.
- **Top-Tier Performance:** Ranked in the Top 3 out of 250 representatives nationwide by successfully converting warm leads into high-converting sales opportunities.
- **Workflow Optimization:** Designed resource allocation strategies that streamlined lead handoffs, increasing overall team productivity by 20%

Apple

August 2016 — August 2020

Technical Specialist

Austin, TX

- **Solution-Selling & Revenue:** Recommended hardware and service add-ons through consultative discovery during technical interactions, earning recognition as a Top Upgrade Solutions Rep.
- **Consultative Customer Sessions:** Conducted 4+ diagnostic assessments per hour, leveraging technical troubleshooting to identify cross-selling and system upgrade opportunities.
- **Customer Retention:** Restored client confidence and account satisfaction by resolving complex device issues and managing out-of-scope customer escalations.

Geek Squad - Best Buy

June 2015 — June 2016

Technology Education Agent

Houston, TX

- **Internal Sales Coaching:** Served as the store's technology subject matter expert, coaching sales reps on service portfolio features, pitch strategies, and value add-ons.
- **Product Ecosystem Upselling:** Leveraged complete knowledge of storewide hardware and service offerings to guide clients toward total tech solutions and drive category goals.
- **Client Workshop Facilitation:** Led interactive client workshops that demonstrated software capabilities and hardware value, driving long-term customer adoption and service renewals.

SKILLS

- **Sales & Account Execution:** Consultative Discovery, Outbound Prospecting, Lead Qualification (BANT), Solution-Selling & Upselling, Objection Handling, Pipeline Management.
- **Enablement & Strategy:** Client Onboarding, Sales Collateral & Knowledge Base Creation, Workshop Facilitation, Customer Retention, Team Coaching.
- **CRM & Tools:** Salesforce, Hubspot, Outreach, Multi-Channel Outreach (Cadences, Email, Phone).
- **Languages:** Bilingual in English and Spanish.
